## TECHNICAL SKILLS

HTML CSS SASS Javascript JQuery PHP Laravel MySQL  
Photoshop Fireworks Animation Flex Git Gulp

## SKILLS

- Comprehensive knowledge of designing and developing the layout, visual appearance and usability of a website.
- Flexible – willing to go the extra mile.
- Fast-paced environments have helped me develop the ability to complete multiple tasks at one time and deepen my creative thinking and problem solving skills.
- Experience working in high stress environments where maintaining a friendly and energetic personality is expected at all times.
- Build relationships with staff outside of working hours to promote team harmony.

- Managing people and processes with attention to agreed outcomes as well as the well-being of those I am managing.
- Strength as a back-end developer with front-end design capability.
